WHY LSR

WORTH YOUR INVESTMENT

Longhorn Sim Racing is more than a competitive team; we are a professional, student-run, non-profit dedicated to creating opportunities for career engagement for every one of our members. By contributing to LSR, you align your brand with a passionate talent pipeline while supporting the practical application of creative, technical, and entrepreneurial principles.

01

RETURN ON INVESTMENT

LSR sponsors should expect to be able to see the impact of their contribution, so our board of directors takes care that your impact is well documented.

02

UNIVERSITY OF TEXAS EXCELLENCE

As students at UT, we strive to be the best and the brightest. By sponsoring LSR, you're empowering students who are dedicated to greatness.

03

MOTORSPORTS DEMOCRATIZATION

Since its inception, racing has never been an affordable endeavor; however, the excessive price of entry and enjoyment has fragmented the enthusiast community. Sponsoring LSR reduces the gap between the audience and the track through meaningful volunteering and industry exposure.
